

# Worship and Music Conference Montreat 2010

## *Opportunities for Instrumentalists*

The instrumental program at Montreat is open to all senior high and adult players. Playing opportunities will include, but are not limited to, traditional orchestral instruments. If you play harp, guitar, accordion, bagpipes or other non-orchestral instruments please come and offer your gifts. I will try to determine the skill level of each instrumentalist on campus and find appropriate settings to utilize your talents. Informal recital settings will also be available.

It is crucial to know as soon as possible who will be participating in the program, what he/she may play and get an estimate of their skill level so that ensembles may be arranged. Please complete the enclosed **Instrumental Music Registration Form** and return it to:

Because of my teaching schedule, it is often easier to contact me via email. I encourage you to email questions or information to me at [mark.britt@furman.edu](mailto:mark.britt@furman.edu)

I would like to hear you play a bit on Sunday afternoon or evening. (Times and location will be posted once you arrive.) These informal auditions will help me quickly place you in appropriate ensembles so that we can begin rehearsals as soon as possible. While there will be an extensive library of instrumental music on site, I would encourage you to bring your favorite instrumental ensemble music with you.

I look forward to working with you, helping you grow as musicians, and building new friendships! It is my hope that the instrumental music program at Montreat will contribute significantly to the musical life of the conference as a whole, but also provide opportunities for personal growth both musically and spiritually. See you in July!!

In his service,

Mark Britt
