Check our [Lodging & Meals](#) page for more information.

The Huckleberry Café has a full-service coffee bar along with ice cream and several food options. It will be open for both weeks of the Worship & Music Conference. The [Montreat Conference Center Dining](#) website will post any updates to the Huckleberry's hours.

Attendees who have booked lodging at Montreat College may purchase their meal plan for Howerton Dining Hall. For more information, please contact montreatconferenceservices@montreat.edu.
